

FULLY HYDRAULIC & BUILT FULLY TOUGH

- FULL-SIZE UTV STEEL XT 6'6"
- FULL-SIZE UTV POLY STRAIGHT-BLADE 6'

Whether it's snow removal in tight spaces or clearing trails and sidewalks, UTV plows are engineered to perform through even the worst winter conditions. BOSS full-size UTV plows are available in straight-blade and V-plow options. And because they're fully hydraulic, you don't have to mess with chains, winches or pulleys. Innovation with you in mind is how BOSS BACKS YOU UP.

STANDARD FEATURES:

- **High-Performance Cutting Edge** built using a Hardox® wear plate to provide extended wear resistance and comes with built-in curb guards and snow catcher (XT only).
- **High-Performance Hydraulic Package** delivers reliability and speed.
- **Enclosed Hydraulics** protects against corrosion and hydraulic freeze-up.
- **Full Moldboard Trip Design** helps to prevent plow damage when an obstacle is encountered.
- **Heavy-Duty Push Frame** for additional strength and reliability.
- **Reinforced Moldboard** increases blade rigidity (XT only).
- **Exceptional Ground Clearance** with our sloped-profile undercarriage.
- **High-Profile Blade Lift** for superior snow-stacking.
- **SmartTouch® 2 Controller** provides weather-proof easy control of blade.
- **Patented Snow Catcher** in the center section is designed to catch snow at the plow's pivot point, so no snow lines are left behind (V-plow only).
- **Two-Year Limited Warranty** protects against material defects for peace of mind.

Our full-size UTV plows are engineered to bring the innovation and design of BOSS truck plows to your full-size UTV.

Full-size power in a compact package for your UTV.

The superslick poly surface of the BOSS full-size UTV Straight-Blade prevents snow from sticking to the blade and reduces wear and tear.
