

Factory Original Parts

Your WESTERN® snowplow is a valuable investment. The best way to assure original equipment reliability and efficiency is to purchase only genuine Western Factory Original parts and accessories.

“Will-fit” parts and accessories can alter your plow’s performance characteristics and may affect your product warranty.

Protect your investment by staying with the best—original WESTERN parts and accessories from your local Western Products distributor.

SNOWPLOW ACCESSORIES

WESTERN® BLADE GUIDES WITH FLAGS

These attractive blade guides with replaceable flags are standard equipment on the WESTERN PRO-PLOW® to help improve operator visibility and plow blade positioning.

Part #59700 (set)

COMMERCIAL BLADE GUIDES

Commercial blade guides are highly visible bright red, enhanced with reflective tape and available in 24" or 36" lengths.

Part #62595 (24" length set—PRO PLUS®, MVP PLUS™, WIDE-OUT™)

Part #62590 (36" length set—Heavy Weight)

CABLE BLADE GUIDES

Cable blade guides aid in plow positioning and operator visibility.

Part #62265 (set—MIDWEIGHT™)

1/2" STEEL WEAR BARS

These 1/2" wear bars fit the same hole pattern as the 3/8" cutting edge that comes standard on your blade from the factory. The 1/2" cutting edge gives your PRO-PLOW® or MVP PLUS™ extra wearability.

Part #49346 (7-1/2' PRO)

Part #49347 (8' PRO)

Part #49348 (8-1/2' PRO)

Part # 49349 (9' PRO)

Part # 49350 (7-1/2' POLY PRO)

Part # 49351 (8' POLY PRO)

Part # 44284-1 (7-1/2' MVP PLUS)

Part # 44285-1 (8-1/2' MVP PLUS)

RUBBER WEAR EDGES

Made of resilient rubber compounds that allow for longer life, these rubber edges adjust to road surface irregularities without gouging, and quickly remove all types of snow.

Part #60825 (7-1/2' — fits 6-1/2', 7', 7-1/2')

Part #62556 (9' — fits 8', 8-1/2', 9')

Part #60831 (10' — fits 9', 10' Heavy Weight blades)

BACK DRAG EDGE

Available for various models, this edge makes quick work of clearing snow away from garage or overhead doors and other tight areas. Easy, bolt-on installation for both steel and poly blades.

Part #64758 (7-1/2' MIDWEIGHT™, PRO, PRO PLUS®)

Part #66892 (8' PRO, PRO PLUS)

Part #66999 (8-1/2' PRO, PRO PLUS)

Part #66991 (9' PRO, PRO PLUS)

Part #44281-2 (7-1/2' MVP PLUS)

Part #44282-2 (8-1/2' MVP PLUS)

Part #44283-2 (9-1/2' MVP PLUS)

Part #52278 (WIDE-OUT™)

Bolt kits required for:

Part #64183 (PRO PLOW)

Part #29351 (PRO PLUS)

PLOW WINGS

Available for the PRO PLUS® and MVP PLUS™ lines of WESTERN® plows, these optional wings add up to 30% more carrying capacity. No installation required—single pin design means quick and easy attach/detach.

Part #64410 (PRO PLUS)

Part # 44510-1 (MVP PLUS)

SHOE KIT

Bolt-on shoe kit extends cutting edge and base angle life when plowing rocky or abrasive surfaces.

Part #27710 (Suburbanite™)

Part #44277 (WIDE-OUT™, MVP PLUS)

Part #64392 (MIDWEIGHT™)

CURB GUARDS

Bolt-on curb guard protects the outer edge of your snowplow from wear associated with sidewalks and curbs.

Part #44403 (Standard, PRO)

Part #44404 (MIDWEIGHT, PRO PLUS, MVP PLUS,
Heavy Weight)

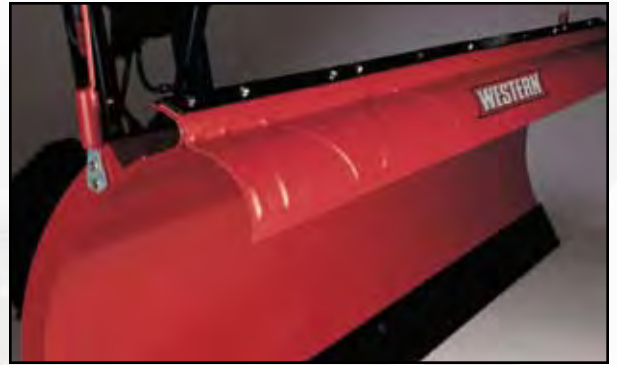

DOLLY WHEELS

Attach these wheels to your plow blade for easy maneuvering on any hard surface. These wheels simplify blade positioning for easier hook-up. Dolly wheels are standard on Heavy Weight plows. Available for UniMount® models only.

Part #62425 (PRO, POLY PRO, Heavy Weight)

Part #62430 (Standard, Poly Standard)

POLY SNOW DEFLECTOR

This heavy-duty poly snow deflector is curved to improve snow containment and Roll-Action™. It's constructed of high density polyethylene material and vacuum formed with integral ribs to ensure structural integrity. Available in 7-1/2' and 9' widths to fit 7-1/2', 8', 8-1/2', and 9' steel blades. Each deflector includes clamping bars and curl braces.

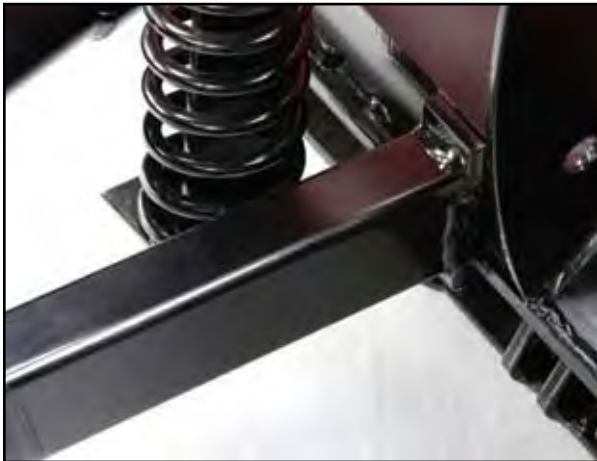

Part #63700 (7-1/2')

Part #63670 (9')

BLADE STOPS

Blade stops transfer blade force to the truck frame, reducing stress and wear on the blade and its support structure.

Part #44473 (7-1/2', 8-1/2' and 9-1/2' MVP PLUS™)

RUBBER SNOW DEFLECTOR

The 2-ply rubber snow deflector is available in 7-1/2' to 10' lengths to fit blades ranging in size from 6-1/2' to 10'.

Part #62123 (7-1/2')

Part #62530 (8')

Part #62220 (9')

Part #62124 (10')

Part #44280 (MVP PLUS)

Part #52280 (WIDE-OUT™)

CONVERSION KIT

This easy-to-use UltraMount® to UniMount® conversion kit enables you to attach a UniMount plow to a vehicle equipped with an UltraMount System vehicle mount. This kit is perfect if you have multiple snowplows, providing your fleet with versatility while changing to the UltraMount System. It is also ideal when transferring an old UniMount plow to a late model vehicle. When you are ready to replace the UniMount plow, the truck will already be equipped with the mount and wiring for an UltraMount plow. Designed for use with all Standard, PRO, and 8.5 MVP® UniMount plows.

Part #27170 (PRO, POLY PRO, Heavy Weight)

DO NOT EXCEED VEHICLE WEIGHT RATINGS WITH A SNOWPLOW.

(not shown:)

MVP SNOWPLOW ADAPTER

The MVP snowplow adapter converts an MVP wired vehicle for use on any UniMount straight blade. The straight blade must operate with the Solenoid or CabCommand control.

Part #66760K

UniMount SOLENOID CONTROL EXTENSION HARNESS

This 48" extension harness for the UniMount Solenoid Control allows for various in-cab mounting options. The extension is compatible with the Solenoid Control and CabCommand control.

Part #61845

UltraMount® SNOWPLOW PARTS KIT

Be prepared! This handy parts kit provides the high volume, Factory Original parts needed for most emergency UltraMount snowplow repairs. Packed in an easy-to-store plastic case with a WESTERN® knit cap.

Part #67880

Similar parts kits are available for MVP®, MVP PLUS™, UniMount® and WIDE-OUT™.

Part #28452 (MVP)

Part #49370 (UniMount)

Part #44796 (MVP PLUS)

Part #50687 (WIDE-OUT)

PRO-GRIP MOUNT KIT

This kit has grip! Kit contains adhesive backed locking strips to secure the WESTERN Solenoid Control and spreader controls to interior vehicle surfaces. Allows the control to be easily removed yet held firmly in place during plowing or spreading.

Part #49305K

FLEX ARM™ QUICK RELEASE FLEXIBLE CONTROL MOUNT

Always have the control right where you want it! FLEX ARM maneuvers into any position for any plower. The magnetic base allows for easy mounting and removal, plus it eliminates the standard mounting holes in your dash. The FLEX ARM is custom designed for WESTERN Solenoid and CabCommand controls, plus it can handle any other spreader control and cellular phones with the help of the Pro-Grip mount kit. Base plate included.

Part #62490

PAINT

Time to touch-up your WESTERN® snowplow blade or black iron? Available in spray or quart cans, in red or black, these Factory Original paints provide durable coverage and are formulated to match your original equipment.

Part #49293 (Quart, black satin)

Part #49294 (Spray can, black satin)

Part #49135 (Quart, WESTERN red)

Part #59515 (Spray can, WESTERN red)

HIGH PERFORMANCE HYDRAULIC FLUID

Available in quart and gallon containers, WESTERN high performance fluid is formulated to provide better viscosity in all temperatures. This means your plow will operate at the optimum level no matter what the weather conditions.

Part #49311 (Quart)

Part #49330 (Gallon)

DIELECTRIC GREASE

Don't risk it—use WESTERN dielectric grease! Western Products recommends all owners consistently use our special formulation dielectric grease to protect all electrical connections in the tough winter snow, ice, and salt conditions.

Part #49326 (2 oz. tube)

WESTERN High Performance Hydraulic Fluid vs. AF (Dexron® III)
