

MIDWEIGHT™

BIG PERFORMANCE SIZED RIGHT FOR YOUR TRUCK.

Push back on winter with the 7' 6" WESTERN® MIDWEIGHT™ commercial snowplow. It's lean, nimble and provides plenty of muscle. Delivering rugged, pro performance without the extra weight, this plow is built for light commercial use with a "bring it on" attitude. Available in powder coated steel or poly.

MIDWEIGHT STEEL PLOW SHOWN

HIGH-STRENGTH STEEL BASE CHANNEL

Provides extra support at the base of the blade.

REINFORCED PLOW BLADE

Six vertical ribs and horizontal POWER BAR provide reinforcement and strength.

UltraMount® 2

Fast, easy and fully mechanical mounting system for hassle-free hookup.

FLEET FLEX

Electrical system provides true fleet interchangeability.

SECURITY GUARD™

Anti-theft system renders plow inoperable to unauthorized users.

OPTIONAL ACCESSORIES

- Snow deflector
